

INTERNATIONAL DYNAMIC SYSTEMS

SUPPLIER POLICY

Policy Statement

Int'l Dynamic Systems is committed to building strong and mutually beneficial relationships with our suppliers. This Supplier Policy outlines the expectations, standards, and principles that govern our interactions with suppliers. We believe that collaboration based on transparency, fairness, and ethical conduct is essential for the success of both parties.

Compliance with Laws and Regulations:

Suppliers must comply with all applicable laws and regulations, including those related to labor, environmental protection, and ethical business practices.

Quality Standards:

Int'l Dynamic Systems expects suppliers to provide materials that meet or exceed agreed-upon quality specifications and industry standards. Regular quality checks and inspections may be conducted.

Ethical Conduct:

Suppliers are expected to conduct their business affairs ethically and with integrity. This includes fair competition, honest representation, and the avoidance of bribery, corruption, or any unethical business practices.

Environmental Responsibility:

Int'l Dynamic Systems encourages suppliers to adopt environmentally responsible practices. This includes compliance with environmental laws, waste reduction, and efforts to minimize the environmental impact of their operations.

Labor Practices:

Suppliers must adhere to fair labor practices, including the prohibition of child labor, forced labor, and discrimination. We expect suppliers to provide a safe and healthy working environment for their employees.

Confidentiality and Data Security:

Suppliers may have access to confidential information during the course of our business relationship. It is essential that suppliers maintain the confidentiality of such information and implement appropriate data security measures.

Communication and Collaboration:

Open and transparent communication is vital for a successful partnership. Suppliers are encouraged to promptly communicate any issues that may affect the supply chain, such as delays, quality concerns, or changes in production capacity.

Continuous Improvement:

Int'l Dynamic Systems values suppliers who are committed to continuous improvement. We encourage feedback and suggestions for enhancing efficiency, reducing costs, and improving the quality of products and services.

Contractual Agreements:

All business transactions with suppliers must be based on clear and mutually agreed-upon contractual terms. Contracts should outline pricing, delivery schedules, quality specifications, and other relevant terms.

Conflict of Interest:

Suppliers must disclose any potential conflicts of interest that may impact their ability to provide products or services objectively and without bias.

Social Responsibility:

Suppliers are encouraged to engage in socially responsible initiatives that benefit their communities and contribute positively to society.

Performance Evaluation:

Int'l Dynamic Systems may conduct periodic evaluations of supplier performance based on criteria such as quality, on-time delivery, communication, and adherence to ethical and environmental standards.

Termination of Relationship:

Int'l Dynamic Systems reserves the right to terminate its relationship with a supplier if there is a breach of contractual terms, ethical standards, or if the supplier fails to meet performance expectations.

Review and Revision:

This Supplier Policy will be reviewed periodically, and any necessary revisions will be promptly implemented. Suppliers will be informed of any changes.
